David Woods: failed rapper and violent Nazi

Anti-fascist activists from Rose City Antifa, Pacific Northwest Anti-Fascist Workers Collective, and Eugene Antifa have been able to get access to the logs of a Discord server used by a variety of Pacific Northwest fascists and white supremacists, given

write supremacist groups to organize their groups and events. These logs contain thousands of messages detailing activities, organizing, and interactions of one particular bunch in the region. In an ongoing series of articles, the coordinating anti-fascist groups will publish revealing information about this particular set of Nazis organizing throughout the Pacific Northwest region, located from Ashland to Seattle. You can follow all of these stories by visiting our website at rosecityantifa.org, or following us on Twitter [@rosecityantifa](https://twitter.com/rosecityantifa) and using the hashtag [#PNWfascistlogs](https://twitter.com/rosecityantifa) and [#CCC](https://twitter.com/rosecityantifa).

One central figure in the group we are calling the Oregon Aryans that has emerged from the logs is David Woods, aka “Fashy Chad.” hilariously, Woods was once a “world music rapper” before becoming a violent white supremacist. In this article we will briefly describe the fascist activities of Woods, and reveal his address.

I have grown to be dismoral. I feel Whites are entitled to much more and are required to take it in order to be in alignment with nature and avoid further conflict with lesser races in the future centuries. We need to change the entire paradigm of equality to harsh reality. We are Superior and we should behave accordingly.

David Woods, going by “Astralopithecus Jordan” on the CCC Discord, displays typical racist and fascist mentalities.

As neo-Nazis and insurgent fascist movements began to wriggle their way out of hiding in the early days of 2017’s incipient Trump administration, a few brazen faces became instantly recognizable. David Woods was first noticed by anti-fascists after he appeared on the University of Oregon campus on April 20th, 2017, in the company of well known Springfield Nazi Jimmy Marr. Subsequently, Woods was seen at Marr’s house in the company of many fascists on April 24th, and in Portland

that he was spoiling for a fight.

David Woods lists armor and other items he is planning on bringing to Joey Gibson's April 29th E 82nd Avenue march.

The CCC Logs show Woods to be one of the ringleaders within the Central Oregon Aryans, maintaining his leadership with shows of bravado, aggressiveness, and by violently imposing fascist and Nazi ideas. He is one of the few members who have no compunction about showing their face in public. He also participated in many of the fascist banner drops carried out over I-5 during the summer.

For now at least, I think the sonnenrad can serve us a good bridge. Not the least because it was bequeathed to us by the SS.

Australopithecus Jordan 6/29/2017, 4:54:14 PM

The swastika is among the oldest symbols on record bestowed upon all peoples of the world given the gift of culture/civilization from Aryan Master Race god-men. In time we will reclaim it's original meaning, rather than "OHHHH no Nazis".

Australopithecus Jordan 6/29/2017, 4:57:12 PM

We adhere to the natural order which is the will of the Creator in motion. This adherence protects us, gives us strength, and guides us.

Australopithecus Jordan 6/29/2017, 4:58:07 PM

Our sonnenrad symbol carries similar meaning and is effective in remind us to align with our true nature.

Australopithecus Jordan 6/29/2017, 5:03:13 PM (edited)

undefinedFor those that missed previous post: Sonnenrad: Center = Sun, Ring one = Mercury orbital path, Ring two (zag section showing motion) = Venus orbital path, Outer ring = Earth orbital path. The 12 segments divide the solar year into the solar houses. Depicts the natural order of our solar system, the central role of the Sun in providing life giving energy and the relation/implication this has with the Creator's spiritual force/will. We Was Astronomers.

Woods holding forth about the fascist imagery of the sonnenrad, and its benefits over the swastika.

want normies to watch NFL and be cucks. They want awakened people to feel hopeless. You must at some point break that mind state. There are still a whole lot of White folks around and when they figure out this shit show there will be hell to pay for the perpetrators. The wrath of the mob will be a beautiful thing. 110 and never again is a real meme.

Australopithecus Jordan 6/23/2017, 1:58:49 AM

Remember that jews are doing all of this shit to us with 2% of the population. If they can run our society with 2% then we can run them out once 2% of us get red pill'd, courage and organized. We can also say to all the browns, "It wasn't really working out so you all have to get the fuck out as well."

Australopithecus Jordan 6/23/2017, 2:00:36 AM

Re-ignite your conqueror mind. We will dominate this land as our forefathers. We will dictate the terms of our lives. We will take our power back from all the corrupt assholes who wish to enslave us and destroy our lineage. Our righteous might will burn everything that stands against us.

NO MORE CUCK POSTING. Flex your muscle and roar.

Woods rants anti-semitic and fascist propaganda.

David Woods' path toward virulent Nazism may seem unusual, but his story highlights the fact that there is no "type" when it comes to fascism. Conversions like his are not simply something that occurs within the "white working class," people from particularly violent backgrounds, or any other trope commonly assumed to explain the appeal of genocidal ideologies. Sometime in his early 20s, while working as a geologist and "helping with several large-scale building projects in Las Vegas," Long Beach CA resident David Woods also began to record music, make beats, write lyrics, and eventually blossomed into the uncreatively-named white rapper persona "Deedub." In the years that followed, Deedub and his musical and romantic partner KLB (Kelli Lynn Bindernagel) founded Deedub Records; managed to open for Snoop Dogg and Eek-A-Mouse; and, as recently as Fall 2015, performed at Orange County Fashion Week repping "Deedub Records Apparel." "We're lucky to get these opportunities to spread the stoke," effused Deedub and KLB on the occasion of their appearance in an international online music competition called "LA Music Awards." By early 2016, it seems "the stoke" had run dry and Deedub Records' brand took a hard pivot toward the rhetorical style of the emergent U.S. "alt-right" subculture. (The parallel to the failed rap career of notorious anti-semite Tim Gionet, aka Baked Alaska, is uncanny.)

David Woods, aka “deedub,” one more failed anti-semitic rapper.

Still from one of David Woods’ rap videos, clearly before his adoration of “white sharia.”

STAY AT THE SUPER 8 ACROSS THE STREET! I was very exhausted after a long drive when I went to the Rodeway Inn. The Indian man working there was extremely pushy and rude to me for no reason. The only reason I could see is that I am a white man and I had my JESUS cross on the outside of my shirt. I guess JESUS offended him. STAY SOMEWHERE ELSE because the guy is a jerk and does not deserve your business. The Super 8 across the street is pleasant, free Wi-Fi, breakfast, clean rooms, and friendly staff.

When your only tool is a nazi hammer, everything looks like you're getting nailed with "reverse racism."

Woods is not just a malicious Nazi and racist, he also unironically embraces "White Sharia," the violently misogynistic ideology invented by Daily Stormer founder Andrew Anglin.

WHITE SHARIA RISING: Nathan Damigo's "Punch Heard Round the World"

Comments

Every single cuckolded white knight faggot bitch talking about "muh princesses" in response to calls for WHITE SHARIA supports this transformation.

People who are against the "oppression" of women are the actual woman-haters.

When this bitch was 15, you could genuinely say "Aryan princess." She was glowingly pretty, I'm sure very sweet, giggly, would blush if you flirted with her - she was fit for a white analog to K-Pop.

But "freedom" and the university system turned her into a hairy porno monster rioting on the street.

The degree to which you allow women freedom is the degree to which they will destroy their own lives and the lives of everyone around them and by extension all of civilization itself.

Imagine this girl's father, who is now getting these images sent to him in mass in his email box (something I support, by the way, even while I sympathize with him).

We have to forcibly marry-off teenage girls to men who will TAKE CARE OF THEM!

We WANT women to be taken care of, as they are the thing that cooks, cleans, gives sexual pleasure and produces and raises children! The white knights don't care about the protection of women! White knights skirt their MASCULINE responsibility by refusing their biological duty to protect women in REAL terms, which mainly involves protecting them from themselves, rather than some external threat!

People who are opposed to the policy of forced teenage marriage are cucks and feminists, who care not for the wellbeing of women, but simply for their own childlike emotions which have been stimulated by Jewish propaganda in Hollywood films about the independent minds of women.

And people can be like "OH YEAH OKAY BUT WHITE SHARIA IS TOO EXTREME THO" - in fact, the situation is now so extreme that we don't have any choice anymore.

Sergeant Damigo's Situation

Andrew Anglin's post on the Daily Stormer, promoting his misogynist argument for subjugating women for racial purposes.

me and give me the 'Fuck me daddy' eyes. So yes, white Sharia is necessary, our women are whores. Not that a part of me did not enjoy that, but it also made me want to put them in bee keeper outfits and ban them from the pool.

Australopithecus Jordan 6/27/2017, 3:56:18 AM

In general, that is something I observe a lot, women with men trying to get my attention. The cuckolding meme has really taken hold of our women. The second they see a guy that could beat the shit out of their sissy bf they get soaked. The jews have exploited women's nature to socially engineer them into disloyal sluts wanting to be raped by conquerors.

Artair 6/27/2017, 3:57:04 AM

I couldn't explain it better!

WHITE SHARIANOW

Australopithecus Jordan 6/27/2017, 3:59:06 AM (edited)

My wife went in the pool with a long sleeve t-shirt and capri shorts on (3/4 length pants). White Sharia upheld. She is fully on board, women like it when you re-teach them to value themselves on a higher level. They want to be treated like children, they need it.

Wehrmacht 6/27/2017, 4:22:52 AM

They dont necessarily want it, but they need it.

Wehrmacht 6/27/2017, 4:23:05 AM

There is a reason that we group women and children together

David Woods explains how he forces his wife to cover her skin at a pool, in accordance with White Sharia.

Woods' fascist activities are particularly concerning, not only because his ideology is extreme, but also because there is reason to believe that he is well-armed, and trained in the use of firearms. Through his unregistered business, "Oregon Firearms Defense," Woods offers tactical pistol training to other fascists. Woods runs this business out of the Albany Rifle and Pistol Club, where he has special access, and often brings Nazis there after hours to train. (At this time, we have no evidence that the Albany Rifle and Pistol Club is aware of Woods' racism and politics.)

Australopithecus Jordan 6/13/2017, 5:17:44 PM

ARPC.info is the website if you guys want to look it up. There are a bunch of private bays. If we met during the week at 5 or 6 the place is a ghost town, no one would bother us, no Range Safety Officers or any crap like that. The other members keep to themselves, a bunch of White guys, probably even some who think like us already tbh.

Australopithecus Jordan 6/13/2017, 5:19:37 PM

Shooting cuts off at 9pm during the week, afterwards we could stay and hang out as long as we want though.

Woods offering private shooting outings at ARPC to the fascists on the CCC Discord.

Outline: Through instruction and live fire drills we will cover these areas and more:

- Safety
- Considerations/mental preparedness
- Draw technique review/refinement
- Multiple targets, multiple shots, moving target review
- Reloading efficiently, reloading on the move, using cover
- One hand reload and malfunction clearing
- Drawing and shooting while on the move
- Controlling space and momentum
- Close quarters defense
- Shooting without aiming
- Dynamic shooting situations
- Dynamic pistol control
- Shooting under duress
- ~3 hour course

Description: Fast paced live fire oriented training for advanced shooters. Strong emphasis on drawing, moving, and reloading. Dynamic drills designed to maximize reality by incorporating situation analysis while implementing advanced skills (as would be the case in a real life situation). This training course will build your ability to think critically in a shooting situation and improve your muscle memory for efficient response. Course takes about 2.5 to 3 hours.

The following is a brief timeline of David Woods' appearances and participation in neo-Nazi and far right organizing locally:

March 25, 2017

On March 25th, David Woods and a number of other Central Oregon neo-Nazis affiliated with American Front and its feeder organization "American Patriots Brigade" took to an I-5 overpass in Springfield to wave American flags and display pro-Trump banners in support of an "Oregon Make America Great Again March" being held by Trump supporters in Salem. In addition to a commercially available "Make America Great Again" Trump banner, they also displayed a sign constructed as a panel for Jimmy Marr's infamous Nazi propaganda truck which reads "Trump: Do the White Thing."

April 20, 2017

On this year's anniversary of Adolf Hitler's birthday, Jimmy Marr and David Woods appeared outside the Erb Memorial Union on University of Oregon campus in Marr's truck decorated with a huge swastika. Woods held forth hollering neo-Nazi talking points at rightfully-angered students as Marr disgorged bursts of lackluster caterwauling from the unluckiest set of bagpipes on this continent.

April 24, 2017

Because of his obnoxious racist proselytizing, Jimmy Marr's address has long been public knowledge. After Woods and Marr's touring neo-Nazi sideshow act stopped by the UO campus, anti-fascists and community members of conscience mobilized for a demonstration across the street from his house. Marr gathered approximately ten of his Nazi sycophants to counter the anti-fascist demonstration. David Woods was one of those present that day, and he was photographed throwing a Roman salute in front of a Nazi war flag. Notice that he is dressed in a grey button down Red Kap shirt, which has been adopted as the official uniform of American Front, and its feeder/prospect organization "American Patriots Brigade."

As we have discussed before, Joey Gibson's Patriot Prayer organization jumped at the opportunity to throw a far-right, Nazi-infested rally in the immigrant neighborhood of Montavilla on April 29th, 2017. David Woods was among the Nazis who were welcomed by Gibson and his followers.

May 20, 2017

David woods, along with Jimmy Marr, disrupted the Sixth Annual Solidarity Fair at Central Park in Corvallis, OR. They had chalked swastikas, neo-Nazi messages, and Trump slogans the night before, much to the dismay of participants in the Solidarity Fair. They also displayed a banner over the freeway bearing the slogan "Wotan Mit Uns": an Odinist slogan frequently used by neo-Nazis.

August 14, 2017

In the Discord logs, David Woods brags of chalking hateful messages on the sidewalk in the path of a Corvallis, OR "Solidarity with Charlottesville" march, and also of driving by said march with a swastika flag waving out his car window.

David Woods brags about Nazi graffiti

August 22, 2017

On August 21, 2017, Central Oregon was in the path of totality for a solar eclipse. Participants in the CCC discord logs spent a great deal of time designing and making banners for the occasion, as well as coordinating with other regional groups for a series of neo-Nazi banner drops over the I-5 corridor in Oregon and Washington. Multiple **banner drops** occurred in Central and Southern Oregon as well as Washington. Jimmy Marr posted a photograph to his twitter account of the weekend's final banner drop featuring himself and David Woods holding an "Eclipse Whitey" banner next to a "1488" road marker.

Jimmy also echoed the frequent observations of anti-fascists with his stated perception of tacit support for neo-Nazi activities from regional law enforcement.

Jimmy Marr 8/22/2017, 8:43:28 AM

The deal we've got going on down here in Oregon is that many of the State Troopers and ODOT Incident Response personnel know us. We've seen them and talked to them many times. Many of them tacitly approve of what we have been doing. Their anti-White boss is a goddamned lesbian governor and it's a safe bet that they hate her, but by Saturday night they were running out of plausibly deniable excuses for their inability to "catch" us and they let us know that the jig was up. That's why our last act of defiance took place on Dike Access Road in Woodland, Washington and mentioned @OregonGovBrown. I suspect there may be one or more Oregon State Troopers who read my twitter feed.

Wood's Claims About His Family

In the CCC discord logs, Woods also paints a portrait of his family life in which he makes a number of claims regarding his family members. In one particular section, written in the disjointed style of 4chan confessionals, he blames his wife, Kelli Lynn Woods (nee Bindernagel) for a difficult time in his life beginning around 2012, saying that she convinced him to become a vegan, try meditation, and embrace

>argue with wife constantly, she is obviously not happy with my deteriorated state of being

Australopithecus Jordan 6/14/2017, 1:41:42 PM

>lose 20lbs because wasting away on cuck diet

David Woods blames his wife for a difficult period in his life

Woods goes on to describe his turn towards, and eventual embrace of, Nazi ideology, according to which he regards feminism, multiculturalism, and tolerance as elements of a global Jewish conspiracy. He attributes the salvation of his marriage to three changes in his everyday life: his decision to assume a much more domineering attitude toward his wife, his increasing participation in the dissemination of Nazi memes online, and real-world activism with his newfound neo-Nazi friends.

Australopithecus Jordan 6/14/2017, 1:48:42 PM

David Woods describes his transition into Nazism

Australopithecus Jordan 6/17/2017, 9:34:37 AM

When your woman back talks tell her, "do not argue with me" "I'm done with this conversation" "I don't want to be around you if you are going to act sassy" "you are in trouble" and then go in another room and read or something. She will slink in after about 25.5 minutes and say sorry, lol. Works good because you are not engaging her, or calling her names, yet you are ostracizing her for her sassy behavior. After a while she will associate talking back to being in trouble lol. Now I just tell my wife "you are going to get in trouble" and she realizes that she is annoying me and stops.

David Woods claims to exercise banal misogynistic control over his wife.

In the logs, Woods also claims to have successfully indoctrinated both his wife and mother-in-law with neo-Nazi ideology.

...allies were not the "good guys" for doing this or portraying this. My wife is German. After that I started explaining about Jewish Hollywood and the anti-German anti-White agenda. Then she started to realize that EVERY actor/actress is a Jew...

Australopithecus Jordan 9/27/2017, 11:16:45 AM

Right now my wife was singing while making food, "Fashy husband I love you so much" ...in the Lion King theme melody. KEK

Australopithecus Jordan 9/18/2017, 12:35:54 PM

I have successfully red pillled my mother in law. She knows I'm full 1488 and she knows I am right. Was explaining White Genocide to her this morning and she says, "Look what they did to Germany". It is a year since she found my racist rants on twitter and encouraged her daughter to divorce me, she was highly offended, now she understands and want to serve Der Fuhrer. Feels good, man.

David Woods claims that his wife and mother-in-law have been indoctrinated with his Nazi ideology
